Eh?

Tsugumi-san, it's this way!

The same Tsugumi as always...

I think it's THIS way, Tsugumi-chan?

Eh?

but, we were just going the way you said to...

you two ...

err ...

Meme-san, do you remember the way?

## Chapter 13: Labyrinth!

ATSUSHI OHKUBO

The weather is perfect to spend the day outside

Thirty minutes earlier ...

so why are they going to school?

huff

haa

IF you travel these stairs every day, whether you like it or not, you're body will be tempered.

It's bad... I just can't get used to this stairway...

... you really do forget everything... even during the last test you forgot to write down your answers...

sorry... but I forgot to bring a gym uniform...

but... how should I put this... it wasn't the best score but was in the top half

urgh

Tsugumi-san, that's neither good or bad.

This is the plebian level of mediocrity.

But the test score itself was good.

Noo... don't say that~~ it's my fault

Since I don't even remember the two things, it's a draw for me~

Yeah~~ what, Meme-chan!?

Yeah~~

Tsugumi-san can't even choose between two simple things, an indecisiveness typical of commoners.

On this long awaited holiday, let's pretend it's a school day and explore the Shibusen

The present

and we've recklessly come here seeking adventure

Shibusen, in order to protect it's secrets and temper it's pupils, made the building into something maze-like

In other words, they're lost

I think I'll go this way.

That's why we'll go this way.

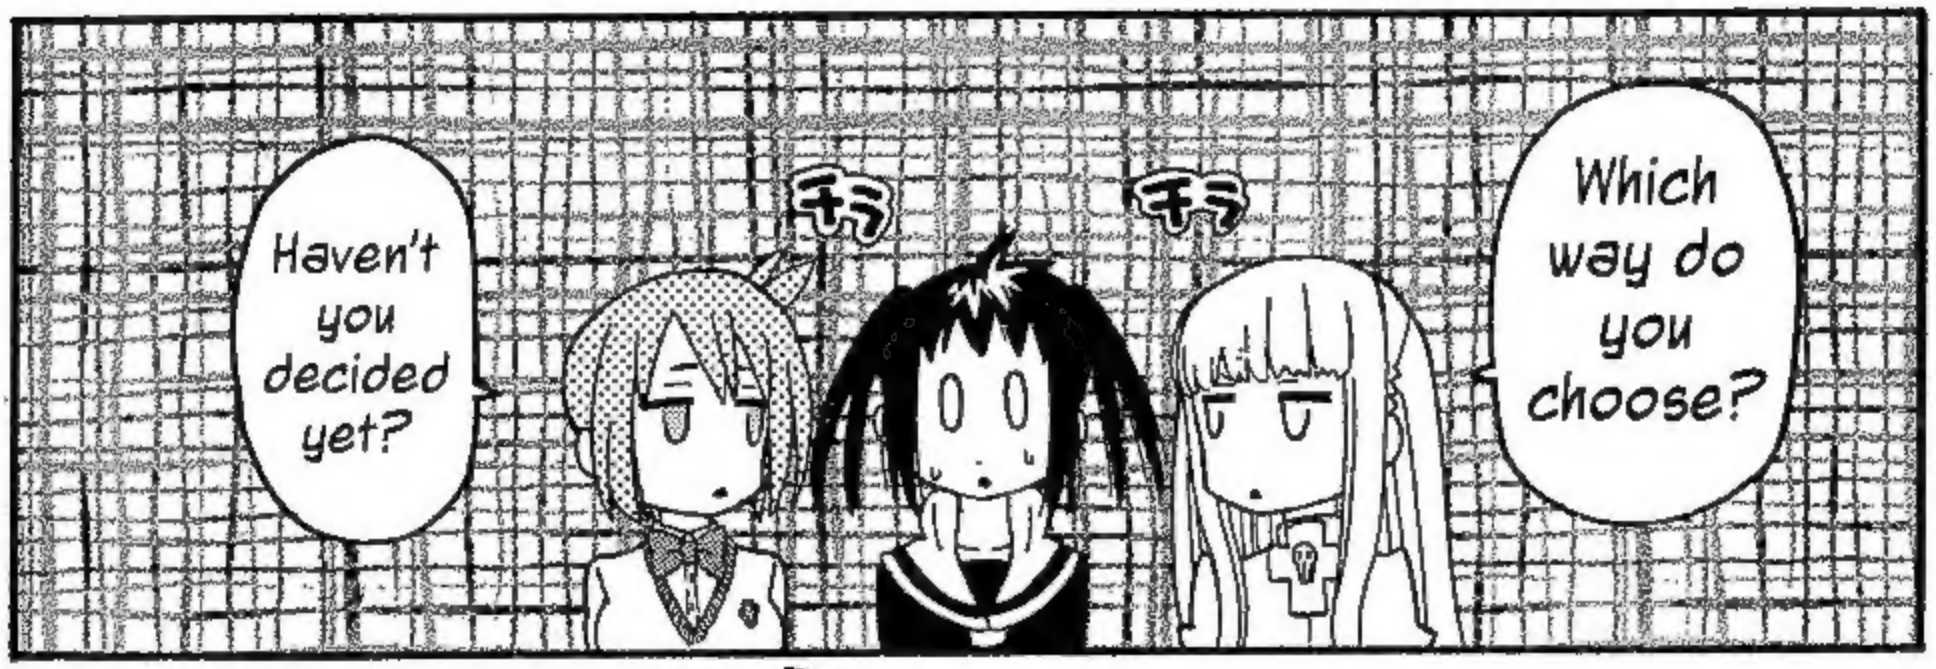
アッチ

アッチ

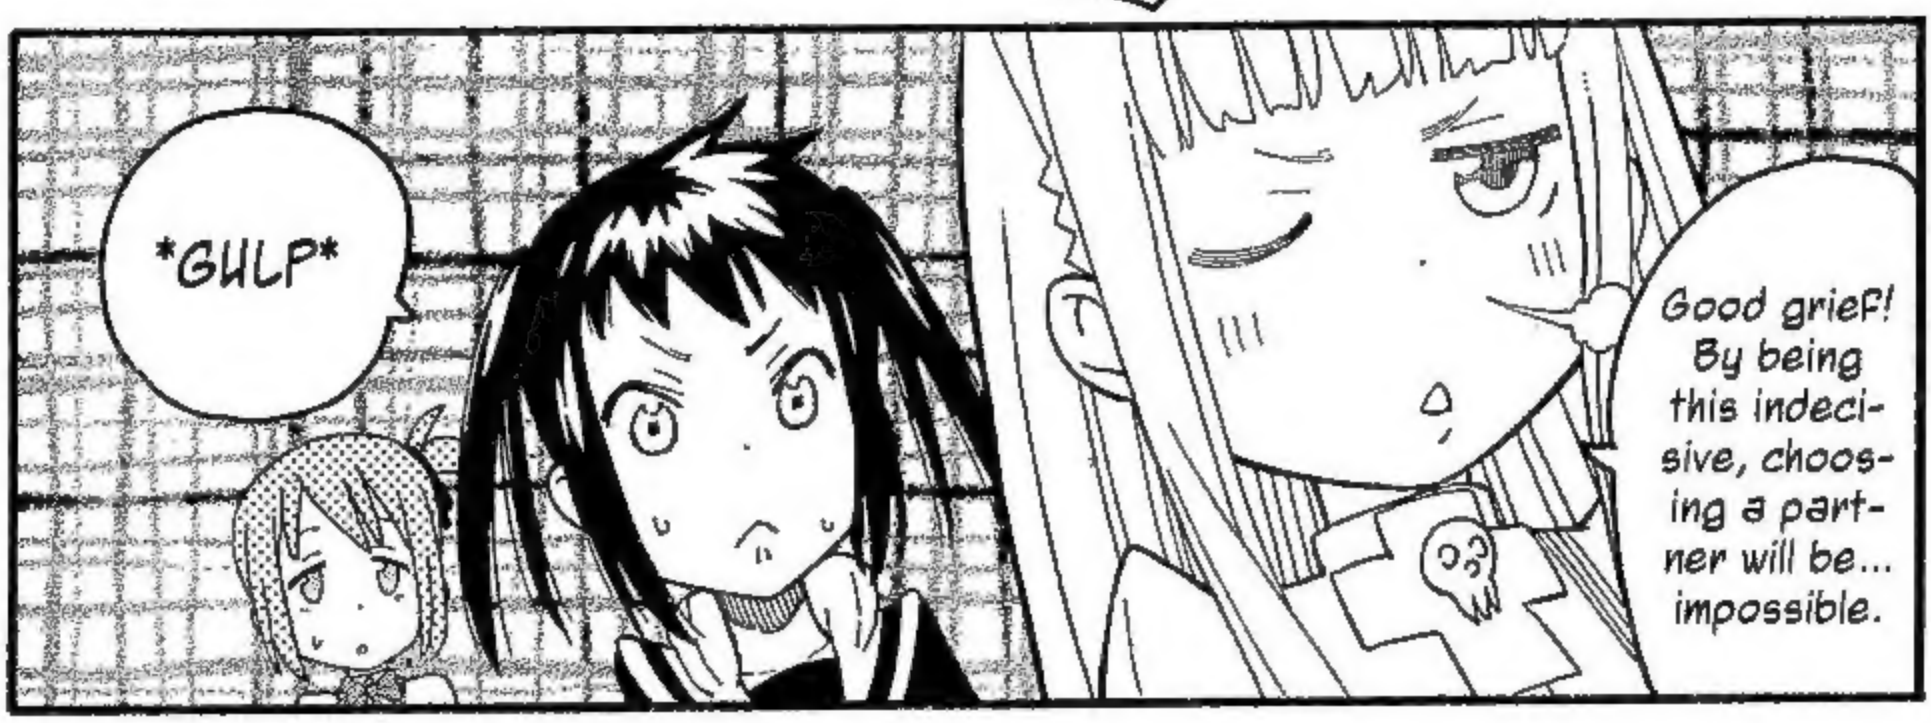
u... ugh... I wonder if that is so?

well said, Anya-san, that's certain

well, this won't help us find our way back



Shibusen is painful



If we wait for Tsugumi-san's answer, night will come. Meme-san's way will be fine.

My ears hurt...

More importantly, where in Shibusen are we?

See? My directions were correct.

Did I make a mistake ...?

Isn't this place getting stranger?

It surely is a labyrinth...

I don't recall going THAT far down...

Maybe it's a gentle slope and we didn't notice it as we descended...

We haven't seen any windows recently, is this the basement?

WAAAAA

A torture room, is it? Just like the one in my home...

Why is there a room like this...?

is Tsugumi-san believing something like THAT again?

A dropout student appeared with an explosive weapon and was tortured and executed...

!!? Did you hear something?

But I'm not believing it...

Isn't this related to what Eternal Feather-senpai was talking about!?

Lost little lambs, let us help set your souls free

?

my, my, I was only going to show you the way out on the map...

NO... WE STILL WANT TO LIVE

ﾄﾞﾋｭｰﾝ

KYAAA

I've heard of another of Shibusen's 8 mysteries...

There's a clairvoyant woman that can find you no matter where you run or hide.

The eyepatch woman who destroys toilets or the perverts who leer at girls in sexy clothes every evening.

aaah... that was scary

He didn't pursue us!!

and...

You look in the mirror and see a man with a cartoon character mask and your soul get's sucked into the mirror...

AND WHAT, THEY GET ALONG TOGETHER?

!!

NOT RIGHT NOW, ANYA -SAN !!

UKYAAAAAAAAA

It's normal that they're scared...

oh right

For NOT class children, we are the Academy's first mystery ...

Oh...

sorry for surprising you...

But why are they in a place like this?

.....

h a a

h a a

h a a

.....

But it's completely different from what I imagined!

Yep!! I knew this school experience couldn't be normal!

Did you see that? A bear wasn't supposed to be reflected in the mirror.

Together, the three of us have incredible fun.

Truly...

ahaha Please stop, Tsugumi-chan !!

It was wearing a polo short too, how amazingly casual.

It's much more surprising than what I thought.

Me too! ha ha ha

but, one day, I must decide...

which one will remain...

Anya-san,...

or Meme-chan...

So, is choosing Anya-san or Meme-chan one person's goal? All I see is a dead end.

I wonder if there's some sort of goal in this labyrinth.

# WITCH HEDQUARTERS

Excuse me, is anybody here?

Witch Shaula Gorgon

Seems almost like a wanted list...

Witch Square... Witch Aracne...

Por-traits ?

Clay-san and Akane-san...

why exactly are you here?

!?

!

Why are Anya and the others here?

We're carrying out a job for Sid-sensei.

Would you like some donuts?

あさ

あさ

ah... no... err... why are...

Ye~~ah

It's Tsugumi-san's fault. She can't decide which way to go or which partner to choose so we got lost

th... that's it...

Well, what about you girls?

A Meister with two weapons exists, but a Weapon with two Meisters is unheard of.

Why haven't you made a decision yet?

.....

HE?

EH?

Harudori is really nice.

Harudori still seems lost.

I'm guessing you think that by choosing one you'll be hurting the other...

ズイ

AKANE-SAN, SAYING STUFF LIKE THAT ISN'T BY ANY MEANS TRYING TO MAKE HER DECIDE?

So, have you lost your way? We'll escort you to the exit.

And so we *left* that *labyrinth*...

*but*, my *goal* is *still* to make a decision.

**Do your *best*, Tsugumi!**
